Open Session

I. Call to Order

The meeting was called to order by Mr. Espiritu at 1:05pm. There was no quorum established.

II. Meeting

Since there was no quorum only discussion occurred among attending council members. Items discussed included:

- Guest Speaker: Julia Dorcey from DCF returned to update the council on facility functions.
- A field trip to NEFSH for SA5 MH and MP was discussed. Possibly holding a meeting at the facility and receive a tour on an upcoming month meeting.
- A facility monitoring occurred since the council met last, Mrs. Ewen gave a quick synopsis of the findings. Was a favorable monitoring of NEFSH. A suggestion of two other facilities to monitor before the next council meeting was made. Tenbreck will be the next facility monitored.
- It was requested of Mr. Morgan to obtain permission from SA6 Daytona to oversee actions in St. John's County. Mr. Morgan will check with that particular SAC rep for that area.
- Mr. Morgan was asked to send a letter of participation intent to Mr. Bass.

III. Adjourn

The Council had no further business and called the meeting adjourned at 2:00pm..
