A quorum was not established and the meeting was called to order by staff member Bryan Morgan as there is no Chair or Vice-Chair to the Brevard MP council. Order called at 10:15am. Introductions were made around the table.

As there was no quorum only discussion occurred. Approval of minutes, elections of Chair and Vice-Chair and closed session items were tabled until the next meeting.

Bryan Morgan reported on happenings at the July SAC meeting in Tampa. He explained the Interagency Agreement and cooperation agreement between the agencies named in the lawsuits filed by SAC last year. He also announced that the next SAC meeting will be in November and tentatively scheduled during the week of the 16th. Bryan also updated the members in attendance on the hiring of Maribel Rodriguez in the Orlando office and the budget report. Bryan also explained that travel will now be done every other month rather than each month. This was requested of reimbursements to AHCA that are under \$50.

Recruitment was a topic of discussion and it was suggested Bryan look at advertising possibilities in the Florida Today paper. Bryan also asked members to be recruiting through interaction in the community and at work if it was appropriate. Training needs to be completed for new members and it was asked they provide Bryan with a date they could be available in Orlando together.

With no other business to discuss the council adjourned at 10:55am.

Next meeting will be October 6, 2006 at 10am.
